

WELCOME!

Spring Valley County Park, consisting of 868 acres, is located in Shrewsbury, Springfield and North Hopewell Townships. The park is made up of old agricultural fields (showing hand built stone walls in some areas) and an uneven aged forest, with the East Branch of the Codorus Creek flowing through it. The park was named after "Valley of Springs" referenced in several poems written by nationally recognized poet laureate of Pennsylvania, Lee Anderson, who lived within the area that became the park.

Multi-Use Trails

Over twelve miles of trails are open to hikers, horse-back riders, and mountain bikers. Trails are closed to bikers and horseback riders during muddy conditions. For updated trail conditions, call the parks office at 717-840-7440, follow us on
